The night after the #millionmagamarch in DC on Nov 14th, #antifa came out after 99% of us had left and beat/stabbed elderly and children. Since DC cops are useless, I myself and countless other angry #patriots will be staying the night after #january6th , and WE WILL BE ARMED and waiting for you. If you come out to harm the weak, if you punch a single old man in the back of the head, if you stab a single child, we will beat you so bad they won't be able to identify your body. Terrorism isn't tolerated here.
